On behalf of our Association we wish to express our appreciation to the minister and people of Goldston Baptist Church for the use of this sanctuary, for the lovely flowers, and the music which have given us the worshipful atmosphere we needed today for our meeting.

We are grateful for the delicious food which gives us fellowship together.

We give our thanks to the Moderator, the Program Committee, and the speakers who have made today an inspirational and challenging one. After such a meeting as this, where so many hands and hearts have met in planning, we should go forth in greater force for our Lord's work.

THE PLACE OF EVANGELISM IN OUR CHURCHES

Excerpts:

What is our basis for Evangelism? Some evangelize for the wrong reason. Going after people can be a problem saving device — to raise the budget, fill places of leadership, made a good report in the church letter. These are not the motives of our Lord in reaching people. Jesus said of his mission on earth, "For the Son of Man came to seek and to save that which was lost."

The faithful few have been so busy on the inside until there has been little time left for the out-reach — the real mission of the church. Take a look at the average church calendar; it does not show purpose, it shows confusion. The material from Nashville is suppose to be treated as you would a cafeterial meal — taking on your plate what you can use — what is best for your church.

We must plan with Christ at the center. When there is dedication there is motivation and then any plan will work. Brethren, let us not be ashamed of the gospel of Jesus Christ. This is our main business. If we fail here we have failed everywhere.

35. At this time Mrs. Glenn Russell favored us with special music accompanied by Mrs. Alvis Jones. Rev. George Graham offered a prayer including the return of thanks.

AFTERNOON SESSION - FALL CREEK CHURCH

37. More Reports of Committees were presented.
   A. Committee on Committees Report given by G. W. McDowell and adopted as printed.
   B. Auditing Committee Report by C. R. Smith, Jr., adopted as given.
      I have looked over the treasurer's books and have found them to be correct and in good order.
      C. R. Smith, Jr.
   C. The Treasurer's Report as printed was adopted after being presented by W. C. Harward.
   D. Mrs. Paul Cromer presented the report of the Hospitality Committee. It was adopted as follows:

REPORT OF HOSPITALITY COMMITTEE

The hospitality shown us today has been wonderful. We have tasted a touch of heaven. On behalf of the Sandy Creek Baptist Association we wish to express our gratitude and love to the minister and people of the Fall Creek Baptist Church for the use of their sanctuary, the beautiful flowers, their new educational building, for the fine food so well planned, all of which have added much to our day of worship and praise. We give thanks to our Moderator, Program Committee, and speakers, for their work and planning to fill our day with inspiration and information. May God grant us wisdom and understanding and enthusiasm to go forth with zeal and courage to fight His war of love.

Respectfully submitted,
Mrs. Paul Cromer, Chairman

REPORTS

TRAINING UNION REPORT

The first mass meeting of our Training Union was "Mobilization Night" in December, 1965. We met at the First Baptist Church, Siler City, under the direction of Joe B. Crouch. The attendance was around two hundred, with the Reverend Frank Crumpler, pastor of Monroe Baptist Church, being the guest speaker.

No one in our Association participated in the Training Union Tournament. In last year's minutes the total enrollment for our Training Unions was 855. Twenty churches out of thirty seven have Training Unions. It is our hope that the Training Unions already established will grow in number, and that other churches will organize unions.

The Training Union is a "must" in the life and advancement of churches, training leaders for the future work of our churches. Many church leaders come as a direct result of this training. Interest and attendance at the evening service is also increased because of this organization.

COOPERATIVE PROGRAM REPORT, 1966

A pressing need of each church in our association is an undergirding of the Cooperative Program with prayer. Information on the world wide missionary work carried on through the Cooperative Program will form a basis by which your church can pray with knowledge and zeal.

We are witnessing the greatest missionary advance in Southern Baptist history in missionaries being sent, benevolent work done and training of young people for world wide service. This advance is being made through our missionaries, orphanages, schools, homes for the aged, and our Baptist hospitals. Through the Cooperative Program you literally feed the hungry, clothe the naked, heal the sick, and preach the gospel to the far corners of the earth.

Several associations in North Carolina have 100% of their churches giving through the Cooperative Program. According to available records our association gave a total of $25,549.75 this past year through the Cooperative Program. Six churches did not share in world missions through the Cooperative Program.

With enthusiasm let us be faithful in worshiping with tithes and offerings and our church sharing regularly through the Cooperative Program for the benefit of a lost world.

RECOMMENDATIONS

We recommend:

1. That every church plan a stewardship program to subscribe and thoroughly promote the church's budget.
2. That we engage regularly in prayer for Cooperative Program causes and give special emphasis to prayer for these needs during the October Cooperative Program Prayer Emphasis.
3. That the churches give regularly through the Cooperative Program.

HISTORY REPORT

Goldston Church was organized in 1920. She joined the Sandy Creek Association at Cool Springs in 1920 with 23 members, sending as her first delegates F. R. Dark, H. M. Phillips, and T. P. Murchison. She has entertained the Association three times including 1966. The other two were in 1947 and 1962. She was our baby church from 1920 to 1940 when Community Church was organized. Her record shows that she has never missed sending delegates to the Association.

Fall Creek Church was organized in 1799. Isaac Teague was her pastor for about 27 years and attended the Association as a messenger for 16 times. In April 1857 Fall Creek had only 12 women members on the church roll. With this session she has entertained the Association 9 times: 1812, 1823, 1833, 1877, 1905, 1929, 1951, 1962, 1966.

We welcome Brother Paul West as the 41st Moderator of the Sandy Creek Association.

W.M.U. ASSOCIATIONAL REPORT

Our emphasis in W.M.U. work for the past year has been participation in Proclamation and Witnessing. Our women have joined wholeheartedly with churches in personal soul winning, prayer and active participation, telling people everywhere how to be saved from sin. Upon each member of the Woman's Missionary Union rests the responsibility of witnessing in her home, or community, as well as the uttermost part of the world.

Our Associational officers attended the workshop at Campbell College in September, that the officers might come back to our Association to train the local leaders in their churches. Our Associational workshop was held in Sandy Branch Church which was well attended. At our executive board meetings we tried to make plans to push forward all phases of W.M.U. work.

One of the things we look forward to is our annual W.M.U. Associational meeting which was held in Fall Creek Church in April. Our Theme was "Oh for a thousand Tongues to Sing". We received a blessing as we heard two missionaries speak. In the afternoon Rev. Roy Smith with the Seminary Extension on State Missions told of his work with the mountain people. For the evening service Rev. Hern, missionary to Jordan, told of his work there and some of the customs of the people.

Now we would turn our thoughts to the youth organizations. Our Sunbeam bands are increasing. The G.A.'s learning their steps have been crowned queens this year. Also they had a dinner meeting for the Associational G.A.'s and had a missionary to speak. Our Y.W.A.'s have held regular council meetings throughout the year, featuring a dinner meeting with a guest speaker. Mrs. Harold Jacob, associational leader, has been busy organizing Y.W.A.'s in churches. We are proud to be a part of this W.M.U. work in our association. Mission books have been studied and we have had good programs, but there is still much to be done.

Let none hear you idly saying "There is nothing I can do"
While the souls of men are dying and the Master calls for you.
Take the task he gives you gladly, let his work your pleasure be,
Answer quickly when he calleth, "Here am I, send me, send me."

REPORT TO THE ASSOCIATIONS
BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INC.
1966

Under the impact of the life, ministry and teachings of Christ and under the leadership of the Holy Spirit, North Carolina Baptists, eighty-one years ago launched a Christian ministry of child care. This has grown considerably and is widely recognized for its qualities of service and pioneering spirit. Sons and daughters of the Children's Homes are scattered throughout the world. They are actively engaged in all walks of life and are making a significant contribution to the uplift of mankind as a result of their early Christian training made possible by North Carolina Baptist and other friends.

As we continue to build upon foundations already laid, special attention is being given certain areas of child care. An already strong program of group care is being strengthened at Mills Home, Kennedy Home and Odum Home. A good degree of progress has been realized in working with emotionally disturbed children at Greer Home in Chapel Hill. The demonstration Child Development Program for preschool children, conducted on the Mills Home campus, has had an excellent first year of operation. Churches throughout the state are studying the program and facilities preparatory to providing similar services. Prospects are encouraging for a home for children in the western part of the state more adequately to serve the needs of our people who live west of the Blue Ridge Mountains.

We have a large number of good Christian homes for the care of foster children. More are needed in all sections of the state.

Sincere appreciation is expressed to all who have, in any way, helped to support our child care ministry. We are indeed grateful for increasing income through the Cooperative Program. Last year's Thanksgiving Offering is approaching three hundred fifteen thousand dollars ($315,000.00) and is the largest ever. Roger Williams, former pastor of the Mills Home Baptist Church, is devoting full time to working with our Baptist people in this area, and he or other members of our staff will count it a privilege to assist you in exploring this field of Christian stewardship.

We covenant with you to face the future as we have the past: to offer Christian nurture to distressed children in the Name of the Lord Jesus Christ.

REPORT OF STEARNS MEMORIAL ASSOCIATION

The work of Shubal Stearns at Old Sandy Creek has been a joy and blessing to this state, this nation, and this world. Loved by all Baptists, many people visit these grounds with thankfulness for the beginning in the south. The cemetery has been nicely kept with a little shrubbery in mind for the future.

CHRISTIAN EDUCATION REPORT TO SANDY CREEK ANNUAL ASSOCIATION

There were over 11,000 enrolled in our seven Baptist colleges this past year. As of now, approximately 600 young men and women who expect to give their lives to one of the Christian vocations are enrolled in the North Carolina Baptist colleges. These include: pastors, chaplains, directors of religious education, directors of church music, home missionaries, institutional workers, denominational workers, teachers, and many others.

The Cooperative Program income budget for the Council on Christian Education and the seven North Carolina Baptist colleges for 1966 was $1,382,000. The Cooperative Program has been called the lifeline for the North Carolina Baptist colleges. An advance for the Cooperative Program is always an advance for Christian higher education.

Dr. Hoyt Blackwell, Mars Hill College, and Dr. Carlyle Campbell, Meredith College, retired at the close of the school year, 1966. Dr. Leslie Campbell, Campbell College, has announced his retirement as of June, 1967. Too much could not be said for the contribution which these men have made to the cause of Christian higher education. Two fine Christian men, both of whom have served as deacons in Baptist churches, have been elected to head Mars Hill and Meredith Colleges. Both of these men possess the highest Christian educational qualifications. Dr. Fred Bentley, formerly dean of the College of Arts and Sciences, University of Louisville, is the new president at Mars Hill College, and Dr. Bruce Heilman, formerly vice president of Peabody College, is the new president of Meredith College.

The Council on Christian Education, at the July meeting on the campus of Chowan College, voted unanimously to engage in a special study on the Christian vocational worker. Concern is being felt throughout the Convention because of the general decline in the number of young people choosing a Christian vocation. Two of the main emphases of this study will be: (1) The most effective way that the Baptist Colleges, the State Convention, and the local churches can join hands in enlisting more young people for the Christian ministry. (2) How more financial assistance can be made available to these students.

EVANGELISM REPORT

At the two conferences I attended at Ridgecrest this summer (Training Union and Sunday School weeks) our leaders again and again stressed the need for our churches to return to New Testament Evangelism of reaching the individual for Christ. There was great stress on the kind of evangelism that does seek to reach the whole man for service to Christ. It was pointed out that last year our Sunday schools lost more than 11,000 in enrollment. This is the first time in more than three decades that there have not been sizeable net gains. This is true of every other church organization and along with these losses baptisms are down. The obvious reason is that we have stopped winning people. We are busier than ever, but not about the right thing. We have programed and activiated our people to death, but we have not produced the motivation and purpose of our Lord in the hearts of our people.

We have been baptizing and dropping them. Have we not failed to teach all the Great Commission in which is the essence of evangelism? There are three phases to our marching orders in Matthew 28!

Phase 1. "Go ye and make disciples. . . ."
Phase 2. "Baptizing them. . . ."
Phase 3. "Teaching them to observe all things. . . ."

Southern Baptists have done a fair job of the first two but poorly on the third command. Could it be that we have sown to the wind and reaped the whirlwind? The new curriculum that is now available in Sunday School, Training Union, Brotherhood, and W.M.U. will give positive emphasis toward returning to the primary function of the church — world redemption. We are in a transition period in our denominational life. There are many changes occurring. New approaches and new methods are being tried. There are many positive and encouraging signs that we are correcting mistakes and are heading in the right direction.

The Sunday School is the lead organization in our church. To it is assigned the task of reaching people for Christ and teaching them his commandments. Let us evangelize through the Sunday School and Bible School.

The Trainnig Union has three main tasks:

1. The orientation of new church members.
2. Train in church membership.
3. Train potential leadership.

All of this is a means toward the end of winning the lost to Christ. None of this will be done unless our hearts first become aflame with the fire of God's Spirit. Then we will see our lost world through the eyes of Christ who looked on the multitudes with compassion and saw them as sheep without a shepherd.

MEMORIAL REPORT

Today we remember our loved ones who have gone on before us. According to the records of our clerk, 87 of our family in Christ have gone to be in the nearer presence of God this year. While we were here on earth together, each of them, in his own way, made a contributon to Christ Militant. Now, that their human presence can no longer be with us, it is our hope and trust that they are enrolled in the Church Triumphant.

Three areas where we need boldness, Lawrence pointed out, are. 1. in approaching the throne of God in prayer, 2. in living the Christian life, and 3. in being motivated to fearlessly speak forth the Word.

39. The new moderator of the Sandy Creek Association, Gilbert McDowell, was recognized at this time. Paul West also recognized his father, Paul West, Sr., Raleigh, who attended the Association both days. His father pronounced the Benediction and a prayer of thanksgiving.

Adjoinment followed by Lunch.

REPORTS

SUNDAY SCHOOL REPORT

Second Timothy chapter three and verse sixteen says, "All scripture is inspired by God and profitable for teaching, for reproof, for correction, and for training in righteousness, that the man of God may be complete, equipped for every good work. "R.S.V. Sunday School is that unit in the church program of the church which seeks to teach man the Bible that he may be more fully equipped for every good work. All thirty-seven of the churches in the Sandy Creek Association have Sunday School. In 1966 we had an average attendance of 4,664. The over all enrollment dropped from 8,274 to 8, 214 last year. Size doesn't always indicate importance, but it does mean that we are not reaching some individuals that we have reached in the past. Taking the verse from second Timothy, let us have a greater zeal to grow, build, and train all we may reach. Let us not seek numbers on a board, but rather souls for the kingdom.

TRAINING UNION REPORT

Those of us who were familiar with the B.Y.P.U., of yesteryear would scarcely recognize the current Baptist Training Program.

The broadened, diversified program and streamlined alternate organization plans, plus next years emphasis on ACT (Advance in Church Training) certainly stretch our concepts. Our new concept in Training Union, ACT includes:

(1) New Church Member Orientation
(2) Church Member Training
(3) Church Leader Training

Every church should be involved in these areas whether they now have Training Unions or not. Please let me know if I can help you start a Training Program in your church. Out of 9,687 church members in 37 churches in our association only 1,194 are enrolled in Training Union. Surely more people than this should be interested in growing in Christ.

"M" night was observed last November 28 at Oakley Baptist Church with around 300 in attendance. Oakley received both banners.

Plans are already made for a Leadership and Officers clinic to be held at the Sandy Branch Church, November 20 ,from 7:00 p.m. until 9:00 p.m. "M" night this year will join with the W.M.U. in the Week of Prayer, December 4, 7:30 p.m., First Baptist Church, Sanford, N. C. Our missionary speaker will be Rev. Harry Goble from Guam. The theme we will be following this year is, "Every Christian Trained to Minister."

I would like to thank the association for sending me to Ridgecrest this past July. I pledge fervent effort in the coming year and beg you to support and use your Training Union as a means toward a more effective Christian witness through the local church.

Associational T.U. Director

BROTHERHOOD REPORT

A very successful Brotherhood Workshop was held at the Sandy Branch Baptist Church on February 27. The State Brotherhood Commission supplied the speakers for the various divisions of the Brotherhood work.

A new Brotherhood was established in the Oakley Baptist Church with a breakfast meeting at the church on Sunday, April 2.

In cooperation with the Associational W.M.S., a Laymen's Retreat was held at the First Baptist Church, Sanford on Saturday, July 15. There were approximately 200 in attendance. Everyone who attended was in agreement that is was such an uplifting event that it should become an annual occasion.

Meetings have been held with the pastor and men of the Tramway Baptist Church to establish a Brotherhood work there and this should be a reality within the next few weeks.

I would like to take this opportunity to ask all of the pastors, or men of the church, who are interested in starting a Brotherhood work in their church to contact me.

Your Associational Brotherhood
President
George E. Marshall

COOPERATIVE PROGRAM REPORT

Despite the fact that Southern Baptists have been sharing the gospel through the Cooperative Program since 1925, many do not know what this plan is. The question—What is the Cooperative Program?—is often heard.

The answer is simple. What the budget is to the local church the Cooperative Program is to the denomination. It is support for all missionary causes at home and abroad—it's preaching the gospel—it's healing in the name of Jesus through hospitals and clinics everywhere—it is teaching and training Christian leaders for all the great tasks of Kingdom endeavor.

As our people worship with tithes and offerings Sunday by Sunday and as the local church channels a part of its income through the Cooperative Program we enter into partnership with God and one another in obedience to the command, "Go . . . preach . . . teach . . . !"

Let us resolve to pray earnestly for all Kingdom work and support our prayers with sacrificial giving of self and substance.

Last year North Carolina Baptists gave $5,787,311 through the Cooperative Program. Supplementing this with Special Offerings amounting to $2,897,639, we had a total of $8,684,950 for all mission causes! Two associations (Anson and Yates) had 100% of their churches giving through the Cooperative Program.

According to records available our association gave $48,031 during the last year for World Missions through the Cooperative Program.

RECOMMENDATIONS

We recommend:

(1) That each church plan, vigorously promote, and subscribe a worthy budget.

(2) That special emphasis be given to prayer for Cooperative Programs causes during October.

(3) That each church give regularly through the Cooperative Program.

Respectifully submitted,
Max G. Reece
Cooperative Program-Stewardship
Representative

Note: On August 7, Mr. Harold White, Secretary of the Stewardship Promotion Department, Raleigh, met with the churches of our association on Stewardship and Church Budget Planning. We had 32 in attendance, with 9 churches being represented.

BAPTIST FOUNDATION REPORT

Certainly in the history of the work of the Baptist Foundation and especially in its last four years of active promotion, 1967 will be remembered as a year of tragedy with our leadership. For some months our Chairman, Dr. I. G. Greer, has been critically ill at his home in Chapel Hill. Some two weeks ago our Executive Secretary, C. Gordon Maddrey, was stricken with a series of heart attacks and has remained in critical condition in Rex Hospital. The loss of the leadership of these two faithful men at any time would be tragic, but especially as we approach the annual meetings of our Associations throughout the Convention.

If Mr. Maddrey were able to prepare this report, he would thrill us with the many interesting and challenging developments up to the time of his illnes two weeks ago. This has been the most fruitful year in the work of the Foundation with many new commitments and marked progress in developing some of the projects of large standing. This is especially true of the new Home for the Aging in Yanceyville which you will hear much more about in the report on the Homes for the Aging. Certainly this will continue to constitute a great challenge to many of our people who can find in the Baptist Foundation their finest opportunity for investing in Kingdom Enterprises.

REPORT OF SHUBAL STEARNS MEMORIAL COMMITTEE

An aged minister who spent much of his time building up Old Sandy Creek Church. A man who could spend hours trying to get a ten year old boy interested in the History of Sandy Creek and the life of Shubal Stearns and what his works have meant to the world. This good and devoted preacher was Judge Ella. I am sure he would be glad if he could see Sandy Creek Church and grounds as they are today. However, many more improvements could be made.

The first time I went to see Shubal Stearns grave I did not find it, as trees and bushes were so thick you could hardly get through them. The next time I found his grave which was at an angle different from the east and west of the cemetery to show that he was a man more than the ordinary.

If Shubal Stearns could know the church he saw fall from six hundred to fourteen members now circle the globe by millions, I am sure he would be happy.

Likewise we too can be happy in any work we do to help the cause of our Lord and Master Jesus Christ.

BAPTIST HOSPITAL REPORT

In this day of rapid change in almost every area of our lives, there are few places in which change has been more rapid in the field of medicine. In the last twenty-five years we have witnessed in medical care a transformation as dramatic as in almost any other area of life.

This period parallels the period of development of our Baptist Medical Center in Winston-Salem. This began in 1941, when our Hospital and our Medical School were joined to form the first and only such Baptist combination. Today it stands as one of the very fine medical centers of our country, reflecting the vast progress which has come in the field of medical care. All indications are that this progress will continue at an ever growing rate.

It is a day of increasing specialization, with men and women highly trained and dedicated in their special fields of medicine. It is a day of expanding research in medicine, as in industry, agriculture and business. Such important progress necessarily means greatly increased cost in medical care. But the high cost is more than offset by service which gives us better health, more relief from suffering and handicaps, and added years to life.

This is not the work of an institution alone—it is a cooperative enterprise. It is a ministry in which we as churches and individual Christians join hands with those who serve in our Medical Center. If this service is made available to all our people who need it, we of necessity have to provide much of the means, for there are many who cannot pay for it. This is a wonderful opportunity when we by simply giving our money can share in so important a service to our brother in need—and even hear a "Well done," "Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me."

Rev. Claude Johnson

CHRISTIAN EDUCATION REPORT

The Baptist State Convention of North Carolina supports a unique program of Christian higher education. There are four senior colleges: Campbell, Buie's Creek; Mars Hill; Meredith, Wake Forest University, Winston-Salem; and three junior colleges: Chowan, Murffreesboro; Gardner-Webb, Boiling Springs; and Wingate, Wingate.

The Baptist colleges in North Carolina and elsewhere in the Southern Baptist Convention continue to train the vast majority of the church vocational workers. Currently, there is the same concern in our colleges that is being expressed throughout our Convention about the decline in the number of young people answering the call to full-time Christian service. The Christian colleges, through the Council, are currently seeking ways and means of cooperating more fully with local churches in an effort to reverse this trend.

However, the Christian college is not solely in the business of training full time Christian workers, for the vast majority of students attending a Baptist college will return to their communities as laymen. Sometimes we tend to overlook the vital contribution of lay-leadership trained in our Christian colleges. These men and women return to their communities not only to assume responsibilities in the local church, but to bear a Christian witness through their professions in the communities where they work.

The Baptist colleges in North Carolina continue to be grateful to the Cooperative Program and its vital financial support. For the year 1967, $1,578,960. has been budgeted. Of this amount, Campbell College is to receive $258,634; Chowan, $154,870.; Gardner Webb, $147,127.; Mars Hill, $223,014.; Meredith, $223,014.; Wake Forest, $379,432.; Wingate, $162,614.; and Council expense, $30,255.

Dr. Harold W. Tribble, president of Wake Forest University, and Dr. Leslie H. Campbell, president of Campbell College, retired at the end of the school term this year. The contribution of these two men to Christian higher education has been appropriately recognized by the colleges, alumni, friends, Council, and by the Baptist State Convention.

Two excellent Christian laymen, both of whom are ordained deacons, have been elected to head Compbell College and Wake Forest University. Dr Norman A. Wiggins, formerly professor of Law at Wake Forest College, took the reins at Campbell College on June 1. Dr. Ralph Scales, formerly president of Oklahoma Baptist University and more recently academic dean of the Colleges of Arts and Sciences, University of Oklahoma, assumed his duties as president of Wake Forest University on July 1.

ASSOCIATIONAL W.M.U. REPORT

"Grow in grace and in the knowledge of our Lord and Saviour Jesus Christ." (II Peter 3:18)

During the past year the Woman's Missionary Union of the Sandy Creek Association has worked diligently to carry out Watchword in conjunction with the theme: "A Church Fulfilling Its Mission Through Education." I would like to share with you at this time, some of our past year's highlights.

In order to prepare ourselves for the year's work and realizing the value of training, the Associational Officers attended the State Leader's Workshop at Campbell College. An Assocational Leadership Training Conference was held at Bennett Baptist Church to train each woman in the role of leadership in her local church.

The WMU cooperated with our churches in observing Weeks of Prayer for Foreign, and Home Missions and Seasons of Prayer for State Missions. In stewardship of our possesions, we supported these missions with our offerings, with each church striving to give an increase over the previous year. We also supported the Cooperative Program, and our Heck-Jones offering for W.M.U. work was increased over the previous year. In addition to the regular mission books taught, the Associational Council sponsored an Associational Mission Study of our Home Mission book. This was held at Love's Creek Church and the book was taught by our N. C. Director of Mission Study, Mrs. Oren Bradley.

One church reactivated W.M.U. work this year. This brings our total number of organizations to thiry-four.

Under the leadership of our Y.W.A. Director, this organization has an active Associational YWA Council which meets quarterly. One church reorganized their YWA organization, and one church organized a new group this year. Our G.A. Director has aided this organization to form an Associational GA Council which meets quarterly. Several churches have held coronation services. Our Sunbeam Director helped one church organize a new Sunbeam organization. For the first time a Sunbeam Day Camp was held in our association. Forty-three youngsters attended this sucessful event.

One of the highlights of our year was our Annual Meeting at Goldston Baptist Church in April. A warm spirit of fellowship prevailed at the meeting: Mrs. C. R. Smith, former Missionary to Malaysia, were our guest speakers.

We were privileged to join the Associational Brotherhood in sponsoring a Laymen's Retreat in July. Over 200 attended. This event, the first ever to be held in our association, was a very insipirational meeting.

Many of our women attended the N. C. W.M.U. Convention in March, as well as the W.M.U. Conference at Ridgecrest in August. Our girls were well represented at G.A. Camp.

Respectfully submitted,
Mrs. Clyde J. Smith,
WMU President

REPORT ON BAPTIST CHILDREN'S HOMES

Least we forget, the Baptist Children's Homes are so called due to the number of children cared for from broken homes. These by far out-number the orphans. Like Paul of old, we are debtors to the parents as well as the children.

Basically, the services rendered begins even with pre-school age children. This consists not only of furnishing a home to live in, with food and loving care, but assisting each individual in growing into normal, useful manhood and womanhood. Each child must be taught the Christian way of life which introduces him, or her, to Jesus Christ as Saviour and Lord. They must also be educated to meet the demands of our day, High School . . . College or business training—or trade.

There are still many needs clamoring for the attention of the Baptist Children's Homes': small group homes for children; a special service and assistance for unwed mothers; assistance in caring for delinquent children; special training for retarded children; Homemaking service—qualified persons employed to meet emergency situations, and, an ever-growing need for Foster homes—should any reader by chance be interested.

May we Baptists ever remember that this endeavor is our prayerful and financial responsibility.

Respectfully submitted,
J. G. Bailey

PREAMBLE

The Sandy Creek Baptist Association recognizes the increasing importance of a well educated citizenry and that for the lack of financial means some of the young men and women in the area served by the Association fail to continue their education beyond the high school level. In recognition of this responsibility the Lawhon Memorial Loan Fund was created for the purpose of giving financial assistance to needy high school graduates in the furtherance of their education, and the Association was given the responsibility of administering the Fund. Since the establishment of this Fund several needy and deserving persons have been able to finance their education with money loaned from the Fund. The Association believes that the activities of the Fund ought to be expanded.

THEREFORE, the Sandy Creek Baptist Association doth hereby declare:

(1) That its member churches be encouraged to make the Fund a part of their respective annual budgets; and

(2) That By-Laws be adopted to assist the Fund Committee in the administration of its activities.

In keeping with the objects and purposes of the Fund, the Sandy Creek Baptist Association, duly constituted and assembled, doth hereby adopt By-Laws for the LAWHON MEMORIAL LOAN FUND AS follows:

THE BIBLICAL RECORDER REPORT

Does your church have a definite plan for getting information on the Baptist world wide mission effort to your church members?

Is there any definite plan to acquaint the membership with Baptist doctrine and policy??

Do your members have any way of knowing what other churches are doing and what is being done through cooperative efforts?

Is there any systematic plan for placing good Christian literature in the homes?

Do your deacons and church officers have a regular source of information as they help shape the policies of your church?

Is there a planned way to get accurate information and helpful suggestions to your church leaders?

The simplest and most economical way to get all this information into the homes of your members is through the BIBLICAL RECORDER. Under the Church Budget Plan, this can be done for only 4c a week.

Consider just one thing the RECORDER did this year: In reporting accurately and courageously the doings of the General Assembly in Raleigh, the RECORDER performed a significant service for Baptists, as well as other denominations. A number of daily newspapers, including the Charlotte Observer, credited the RECORDER with being a major factor in the defeat of a liquor by the drink bill, but we cannot sit back and relax. Supporters of liquor by the drink have warned that they will be back to push their cause in the 1969 General Assembly. The RECORDER will be there to keep you posted and to urge you to act.

As another example of service to its readers, the RECORDER is continuing to run both Sunday school lessons—the Uniform Lessons and the Life and Work Curriculum Lessons. Outstanding writers have been secured to do these lessons.

In addition to the weekly ministry in nearly 89,000 homes, the RECORDER editor now writes a weekly religious newscast which is heard on more than 75 stations throughout the state. The Radio-Television Commission produces and distributes the program. This is another opportunity to spread the good news of the Gospel.

Nothing else can take the place of the BIBLICAL RECORDER in Baptist life. If you doubt this, try it in your church.

Respectfuly submitted,
J. M. James
Christian Literature Representative

EVANGELISM REPORT

This past year the churches of our association baptized 279 persons This represents a ratio of one baptism for every 21 members. Evangelism is the heart of our churches' existance. Evangelism must be a two-pronged thrust. We must publicly proclaim that Gospel, that is the power of God unto Salvation, and we must personally win others to Christ. "Every Christian, a Witness" must be more than a slogan, it must be a reality in our lives.

Our churches face a tremendous evangelistic challenge in the Crusade of the Americas. This is more than just a two-week period of revivals. It is an emphasis on evangelism that should occupy our churches throughout 1968-'69 and '70. Our churches have been challenged by one of our mission fields, Brazil, to give ourselves to the work of evangelism and world missions for 1968-69. Some of the challenges in the Crusade of the Americas are:

NATION-WIDE EMPHASIS ON PRAYER:
July-August 1968; Watch Night Prayer Service December 31, 1968.
NATION-WIDE SEARCH FOR PROSPECTS
NATION-WIDE VISITATION WITNESSING
NATION-WIDE CRUSADE OF THE AMERICAS REVIVALS
NATION-WIDE EMPHASIS ON NEW MEMBER ORIENTATION
SPECIAL EMPHASIS IN NORTH CAROLINA ON CHRISTIAN MATURITY:
January 1-December 31, 1970.

Adequate guidance material for cooperation with and in preparation for the Crusade of the Americas is available to us from the Division of Evangelism, 301 Hillsborough Street, Raleigh, North Carolina.

Respectfuly submitted,
Garland L. Foushee Chairman

REPORT OF CENTENNIAL ANNIVERSARY AT BETHANY
1868 - 1968

During this year Bethany Baptist Church has been observing its Centennial Anniversary. Bethany, in the little town of Gulf, was organized on March 14, 1868. Through this one-hundred year period the church has constructed four houses of worship, one of which was destroyed by fire. The church now occupies a comparatively new structure with sanctuary and modern educational facilities. During the years of construction of the present church plant, there was a consistent increase in gifts to missions.

The observance began with a testimonial meeting, giving members an opportunity to relate what the church had meant to them. Several of the older members found joy in reminiscing about events and experiences that went back into the past more than 60 years. Then in August there was a combination homecoming and centennial celebration with a history of the church given and a feature address by Dr. Bruce Cresson, of the department of religion, Baylor University. Within this centennial year we further plan the completion and dedication of a new building to be used for instruction, training, recreation and fellowship.

In celebrating this century of existence and progress of Bethany Baptist Church, our people were given a new realization of the faith and dedication of those who had served in the years agone, and gained for ourselves a new sense of responsibility and stewardship for our time. This was more than a celebration of a hundred years of local Baptist history, in that it made us more aware of the place of the church in our own lives and community, and its mission in the world under the lordship of Jesus Christ.

Respectfully,
Geo. M. Graham

MEMORIAL REPORT

Again, this year, let us pause for a brief service of meditation in memory of our beloved dead. 103 of our members have gone on to their Eternal Reward. In loving remembrance of each of them I qoute now this beautiful poem on Eternal Life, by St. Francis of Assisi: —

"Lord, make me an instrument of Thy peace!
Where there is hatred . . . let me sow love.
Where there is injury . . . pardon.
Where there is doubt . . . faith.
Where there is despair . . . hope.
Where there is darkness . . . light.
Where there is sadness . . . joy.

O Divine Master, grant that I may not so much seek
To be consoled . . . as to console,
To be understood . . . as to understand,
To be loved . . . as to love;
For it is in giving . . . that we receive;
It is in pardoning . . . that we are pardoned;
IT IS IN DYING . . . that we are born to Eternal Life."

Let us all bow together in a few moments of silent prayer.

BROTHERHOOD REPORT

The achievements of the Associational Brotherhood, although not spectacular, has had certain highlights worthy of mention to the messengers of this association. First, the establishment of a Brotherhood at the Tramway

Baptist Church of Sanford. Roy Jones heads the list of officers of this organization which shows promise of being one of the finest missionary groups of men in our Associaton. May our prayers be with them as they work for the cause of Christ in their area. Second, the Associational Laymen's Retreat, held at the First Baptist Church of Siler City, was one that will be remembered by those in attendance for many years to come. The challenges presented by Rev. Ralph Brunson, a missionary to Malaysia, and Mr. Albert Long, of Durham, N. C., were a great inspiration. This retreat was was sponsored jointly by the Brotherhood and the Women's Missionary Society.

As the Sandy Creek Associational Brotherhood President it affords me great pleasure to submit this report of our work and ask for your continued cooperation in the activities of the Brotherhood.

Respectfully submitted,
.George E. Marshall

TRAINING UNION REPORT

I am very encouraged with our Training Union work in the Sandy Creek Association. We had an increase of 28 per week over last year in average attendance. An increase of 225 in our total enrollment.. We commend all the churches who helped make this good increase. We could express our desire that every church become involved in a Training Program.

One new Union was started on October 6th at the Moon's Chapel Baptist Church. I have written to several Sunday School Superintendents urging them to help get Training Programs started in their church. I was invited to four churches this past year to show the film on ACT (Advance in Church Training) and explain the new approach to Training needs. A new member orientation clinic will be planned for 1969.

"M" night this year again will co-operate with the W.M.U. and meet at Sanford in co-operation with W.M.U. There were 345 in attendance with the attendance banner going to Sanford First and the percentage banner to Brush Creek.

"M" night this year again wil lco-operate with the W.M.U. and meet at the First Baptist Church, Siler City. Rev. Forrest Watkins of the Sunday School Board in Nashville, Tennessee will be the guest speaker. First Baptist, Sanford will present a Drama. This will be Monday, December 2, 7:30 p.m.

REPORT ON THE CHRISTIAN LIFE COMMISSION

The Christian Life Commission is the agency of the Southern Baptist Convention which exists to serve Christ and the constituents of the Conventon by outlining areas of current concern and suggesting approaches and programs by which individuals and churches may assist in ministering to specific needs.

A recent report from the Commission points up the impact being attempted in the area of applied Christianity. In 1967 the Commission reported: "The channeling of materials on applied Christianty through the Commission's ministry surpassed a total circulation of 71,290,000."

Fred Mosely, Executive Secretary of our Home Mission Board, asserts, "All too often Southern Baptists have projected the image of a people primarily concerned with preaching to people and saving their souls, and too little concerned with coming to grips with the social, economic, emotional, and cultural problems of people." We concur with his further declaration that, "The church cannot withdraw from every trouble spot in human existence. The same commission which sends it into all geographical areas of the world also compels it to come to grips with the problems of the people to whom it witnesses."

We wholeheartedly endorse the splendid work of Dr. Foy Valentine and the Commission which he directs as Executive Secretary-Treasurer.

REPORT OF SHUBAL STEARNS MEMORIAL COMMITTEE

The Rev. Shubal Stearns at Sandy Creek was small in stature, but great in serving his Lord and Master, Jesus Christ, in the saving of souls of mankind.

He spent his time preaching repentance, in building churches, in organizing groups to meet together back and forth to give courage, power, and faith to each other. And the groups witnessed to the world about them that Christian people were at work in their midst.

Today there are millions following this great cause as did Shubal Stearns. Many feeble, many with great effort who will be rewarded accordingly, I feel sure.

HOSPITALITY REPORT
1968

We of the Sandy Creek Association wish to express our apreciation to the Flat Springs and Pittsboro Baptist Churches for each effort they have contributed to make this a lovely day. We are thankful for this building, grounds, flowers, food, drinks and other materials provided and also for the planning, patience and a willingness to share for the glory of God. This conveys to us the love of God as He desires to live in all peoples hearts everywhere.

To the moderator, program committee and each one taking part we are thankful for information, inspiration and the challenge they have given us. We trust that each person will carry something back to his or her church that will add to its growth and Gods' glory.

Respectfully submitted,
Mrs. Paul Cromer

BAPTIST HOSPITAL REPORT

This is a full year at our Baptist Hospital with more than thirty thousand sick people being given medical service and Christian ministry, and more than 165,000 visits being made to the clinics for the hospital. In addition to this, more than 700 persons are receiving training in the various fields of medical care and causes and treatments of the diseases which afflict us and our loved ones.

The Development Program, which is greatly to increase the capacity of the Medical Center to train and to serve, is progressing on schedule. The cost of this large Development Program is being provided by interested individuals, corporations, foundations and government agencies, which recognize the valuable service our Medical Center is rendering and the urgent need for greatly enlarging these services.

But this is a very difficult year financially, and our hospital has been forced to make important changes in its financial policies. In the face of the mounting costs and the increasing needs of our people, the hospital has been struggling with a growing deficit. We have been told this for several years but the gap has continued to increase between the cost of free service and the money we have provided for this service. The amount of the free service now will have to be governed by the amount of the Mother's Day Fund. A patient's hospital bill will be estimated in advance, any available hospital insurance will be deducted, and the balance must be paid before the patient is admitted unless he is certified by his county welfare department or some other agency. Any balance beyond the estimated bill must be paid before the patient is discharged. In case of an emergency, the patient may be admitted but the hospital bill must be paid as soon as possible after admission. The Mother's Day Fund will be used, as it has been, to pay the difference between the amount paid by the certifying agency and the total cost of caring for the patient.

The great concern at our Baptist Hospital is for these patients who must have financial assistance if they are to get the specialized care they need. But the hospital has come to the point that it cannot continue to operate without the money necessary to cover the cost. In view of the circumstances, we believe the great majority of our pastors and our people will understand these changes and give their full cooperation. The Mother's Day Offering will need to be increased greatly if our hospital is to fulfill its misson to our people who most need it. We want to assure our hospital that it can depend upon us in full measure.

THE COOPERATIVE PROGRAM REPORT — 1968

The Cooperative Program is just what the name indicates: people cooperating together to get the Lord's work done. Baptists, historically, are independent of each other but by the very definition of the name Bapists we are cooperating to get the work done. Yet some churches use the name Southern Baptists and do the very minimum required legally in a time which calls for maximum effort. We have churches in our Association which take an offering for the Children's Homes, for the Hospital, or for the Homes for the Aging, or some other cause once a year in order to fulfill the requirements of cooperating together in one Southern Baptist cause. They send no gifts through the Cooperative Program, they do not support the Associational program, and they choose only their pet projects to support. Certainly we have much cause for concern and prayer as we look at the record.

Using the figures from last year's annual we see that last year our Association gave $47,971 for World Missions through the Cooperative Program, or an average of $6.00 a year per resident member. This figures out to approximately 11 cents a week. Last year 7,982 members of Southern Baptist churches, living in and around Chatham and Lee counties, gave a total of $96,464 for all mission causes and all benevolences. This is $12.08 per year, or about 23 cents each per week; still less than four cents a day!

Last year our total gifts to all causes were $646,098. This figure shows us that if all in our association were tithing, our average income would be $809 per year. We know that the combined average income per year for Chatham and Lee counties was $3,000. This included the unemployed, the aged, the indigent, children, Negroes, and those in all income brackets. In other words, everyone in these two counties. Comparing the figures we see that as a total people we are tithing less than one-third of what God has given us to do His work.

Why not ask the treasurer what your church gives monthly to the Associational program and to world causes through the Cooperative Program. Why not ask yourself honestly in the light of Biblical teaching if you're doing your part. Let us pray before God about our objections to giving, about our church's position in this matter, and then let's move forward as a people of God united in the effort to enlarge the borders of His Kingdom where we are.

A new Eight Day Stewardship Program will be available from the Stewardship Commission of the Southern Baptist Convention on April 1. It will suggest visitation of every family in the church by the Deacons, prayer by every church member and a Week-end Stewardship Revival. Many of the pilot churches have found this an effective way to increase giving and pledge the church's budget.

We Recommend:

(1) That each church plan, vigorously promote, and subscribe a worthy budget.
(2) That each church have a special prayer for Cooperative Program causes during each church service in October.
(3) That each church give regularly, a worthy percentage of each offering plate dollar through the Cooperative Program.

E. Paul West, Jr.

ASSOCIATIONAL W.M.U. REPORT

"Inasmuch as ye have done it unto one of the least of these . . . ye have done it unto me." Matt. 25:40

This past year the Woman's Missionary Union of the Sandy Creek Association met the above challenge in carrying out the theme: "A Church Fulfilling its Mission through Ministering."

Our Associational Officers attended the State Leaders' Workshop at the First Baptist Church, Wilson, N. C. Following this, a Leaders' Training Conference was held at the First Baptist Church in Siler City, N. C. to train the leaders in our local churces. Associational leaders and local leaders also attended the State Workshop in Greensboro for introduction and training on the changes that are to become effective on October 1, 1968.

The WMU cooperated with our churches in observing Weeks of Prayer for Foreign and Home Missions and Season of Prayer for State Missions. We supported these with our offering, with each church striving to give an increase over the previous year. We also supported the Cooperative Program. In giving to the Heck-Jones Memorial Offering, we accepted the challenge to share in financially supporting the erection of our new WMU camp, "Mundo Vista," now under construction near Asheboro, N. C.

Under the leadership of our YWA and GA Directors, these organizations held quarterly associational meetings. Missions books were taught on the associational level as well as in local groups. Several churches held coronation services. Our Sunbeam Director cooperated with local leaders in promoting and encouraging work with this age group.

The WMU was privileged to cooperate with the Training Union in helping promote "M" Night on December 4th at First Church, Sanford. We are also happy to be a part in working with the Brotherhood to have a Laymen's Retreat at First Church, Siler City, N. C.

A wonderful spirit of fellowship prevailed at our Annual Session at Oakley Church in April. Miss Sara Ann Hobbs, N.C.G.A. Director, spoke at our afternoon session on the changes in our WMU program. At our Evening Session, a challenging and inspiring message was brought by Mrs. John A. Poe, missionary to Brazil. I am delighted to report that at this meeting, our Association voted to give one hundred dollars love offering to our new WMU camp.

Our Association was well represented at our N.C. State Convention in March and at Ridgecrest in August.

We count it a privilege to be an auxiliary to the Sandy Creek Association and we pray for God's continued blessing as we labor together for Him.

Respectfully submitted,
Mrs. Clyde J. Smith
Associational WMU President

BAPTIST CHILDREN'S HOMES REPORT

For eighty-four years Baptist Children's Homes have worked to meet the needs of children whose homes have been disrupted by forces they could not control. The Administration has done, and is doing, a fine job with the resources at their command. However, the need has always exceeded the resources, Every bed in the existing facilities is occupied, and applications for aid come in at an ever increasing rate.

The answer to this problem is more space. Mr. Terrell, Director of Development for Baptist Children's Homes, tells us that plans for construction of a new campus between Waynesville and Sylva are progressing. He firmly believes North Carolina Baptist will meet the great challenge before them.

The answer to providing the needed space is increased support at the local church level. This is the point at which Sandy Creek Association needs to take a hard look. From July 1, 1967 through June 30, 1968, Sandy Creek Association gave $6,305.96. This is $.79 per resident member. Nine churches gave nothing, and nine churches gave beyond the Thanksgiving Offering. Two churches gave more than one-half of the total contribution.

We must take this ministry to heart. Cooperative Program funds make up less than one-third of the needed funds. The rest must come from people who love the Lord enough to help those who cannot help themselves.

Respectfully submitted,
Sam S. Snyder

EXECUTIVE COMMITTEE REPORT

The first meeting of the Executive Committee was held at the First Baptist Church, Sanford, January 8, 1968. The Rev. Gilbert McDowell, opened with prayer. Mrs. Holland Gaines, secretary, read the minutes.

A motion was made and seconded that Mr. McDowell who is also moderator of the Association be elected as chairman of the Executive Committee. He was unanimously elected. Mrs. Gaines declined consideration of being reelected as secretary. Garland Foushee was elected to be secretary.

Rev. Junior Kidd expressed concern that many persons were being elected to offices in the Association without being contacted. He made a motion that the Executive Committee go on record that we favor the Nominating Committee contacting each nominee before bringing his name before the Association. After a brief discussion the motion was carried.

Rev. Max Reece, Training Union Director, announced that there were 368 in attendance at "M" Night meeting at Sanford First Church.

Mr. W. C. Harward, treasurer made an itemized financial report and stated that all bills were paid.

The chairman gave a report on the School of Missions scheduled May 5, 6, 7. He said that some churches had not been heard from as yet. He announced that two missionaries had been obtained, Dr. Howard Ford for State Missions and Rev. John Poe for Foreign Missions. They had not heard from the Home Missions Board.

Mrs. Nooe, Associational Clerk, called attention to the fact that last year there was a constitutional change to permit new officers to be added to the Association as needed. She stated that the office of chairman of Evangelism should have been added and was overlooked. She also reminded us that each church was eligible to have one layman on the Executive Committee meeting.

Mr Jim Agnor, missionary for the Wycliffe Bible Translators, was introduced. He gave an interesting talk on the World-Wide program of the Wycliffe missionaries. He stated that there were about 2000 languages and dialects in the world which do not have the Word of God. He said that there was a new

MUSIC MINISTRY REPORT

Never before in the history of creation has music held such an important place in the world! Music of every variety floods the air. In almost every home, some kind of musical instrument, radio, or record player can be found. Music is an integral and Inseparable part of the Proclamation and Presentation of the "Good News" of Jesus Christ.

Paul's admonition in Colossians 3:16 may well express the relationship between Music and Evangelism — World Missions; "Let the word of Christ dwell in you richly and all wisdom; teaching and admonishing one another in Psalms (Anthems?), and Hymns and Spiritual Songs (Gospel Songs?), singing with Grace in your hearts to the Lord."

What are some specific ways in which Church Music can promote the emphasis on Eangelism and World Missions in 1968-69?

Some Recommendations:

1. Organize Choirs for Beginners through Adults.
2. Teach them "good" music.
3. Introduce New Hymns and Gospel Songs.
4. Teach Adult Choir Hymn-Anthems
5. Avoid "Messageless" Music.
6. Have a School of Music in your Church in 1968-69.
7. Observe September as "Church Music Month."
8. Plan Choir Rehearsal.
9. Know the music before attempting to teach Choir members.
10. Organize a Male Quartet, Women's Trio, Ensemble, Men's Chorus. Let these groups sing during the Morning and Evening Services frequently.
11. Organize a Music Council.
12. Have "An Evening of Music" at least twice a year.
13. Christmas Program; all choirs participating.
14. Easter Program; all choirs participating.
15. **Pray, Plan, Prepare,** and then **Present** the Wonderful Music Message that Christ put in your heart, when you trusted Him as Lord and Master.

CHRISTIAN LITERATURE REPORT

This is a period in history when some church publications are struggling to exist. Smaller circulation, rising cost of publication, mergers, and other factors are creating hardships for many publications.

Your **Biblical Recorder** is not immune from some of these problems, but there is a brighter side to its ministry. In January, the **Recorder** had its 135th birthday so this indicates it is durable and hardy. While circulation did not set any new records in the past year, a healthy gain was noted. Inflation, accompanied by increased printing costs, caused the **Recorder** to have to buckle its belt, but necessary economy steps were well-accepted by our Baptist people. One of these was to let the churches pay the state sales tax, thus saving the **Recorder** nearly $5,000.00 a year.

There is every indication that the **Recorder** is continuing to be read closely. Letters to the editor reflect this growing interest on the part of readers. This is healthy and is one of the strong points of Baptist democracy. The **Recorder** runs well over 200 letters a year, many of them expressing strong feelings on a variety of subjects. Baptists are individualists and since this is part of our heritage, the **Recorder** is glad to receive letters on the issues facing Christmas today. There must be dialogue among Baptists and the **Recorder** is glad to serve our denomination in this capacity.

The tragedy is that more of our Baptist people don't get the **Recorder.** Although hundreds of churches send it to every home, there are too many churches that do not have it in the budget. Frequently the interest and hard work of one person can mean the difference. Try it and see.

The **Recorder** staff rededicates itself to the job of getting out the best paper possible in these days of serious upheaval. Speaking the truth in love is the goal of the Recorder at all times. The support of all Baptists is needed in carrying out this objective.

Claude E. Jones

REPORT ON EVANGELISM

The first great responsibility of Baptists today is to proclaim the message of the Gospel clearly, plainly and under the empowering of the Holy Spirit. The second is to see that the new life and purpose of God found in Chirst is in the foreground of all our motives, attitudes and actions in personal, cultural and organizational life and that this involves us in helping meet the needs of all people. To express the same things another way is to say evangelism is our first great responsibility and the second is to follow our Lord Jesus Christ obediently, as taught in the Scriptures, that the true fruits of evangelism may issue from our total lives. Therefore, it must be of utmost concern to every Spirit-filled Baptist to know here is a reliable source of Divine knowledge found in the Bible. To preach the Gospel of Christ one must know what the Gospel is and this God has revealed and written for us in the Bible.

To move with God this year and next in the Crusade of the Americas means that we must be diligent in searching the Scriptures and proclaiming the glorious Gospel of Christ revealed therein. We must walk daily with God in the fellowship of prayer. Leaders in the churches must make sure these two most vital matters are constantly practiced in their lives and that these matters are always kept before the people in the churches. This done faithfully and sincerely day by day across the weeks and months will bring individuals and churches into vital relationship with God.

It is urgently important that every church be confronted with the opportunity and responsibility of participating with other Baptists across the Western hemisphere in prayerful concern for a spiritual awakening to be experienced in the simultaneous revival meetings next spring. Messengers of this association are therefore urged to see that every church rightly faces this challenge. For details on the Crusade consult the GUIDEBOOK FOR BAPTISTS OF NORTH CAROLINA which has been mailed to all pastors, Sunday School Superintendents, Training Union Directors, WMU Presidents, and Brotherhood Presidents.

In Sandy Creek Association the following churches have voted to participate in the Crusade:

Bear Creek
Bennett
Bethany
Bonlee
Brookdale
Community
Cool Springs
East Sanford
Emmaus
Hickory Grove
Jonesboro Heights
Juniper Springs
Moons Chapel
Mount Olive

As soon as a church votes to participate, the Associational Chairman of Evangelism should be notified.

Baptist Church. 42nd Moderator of the
Sandy Creek Association

DEDICATION

L. P. SOOTS

L. P. Soots was known and loved by many in the Sandy Creek Association. A native of Alamance County and a resident of Rt. 1, Goldston, after retirement, he began his ministry at the age of 17 while still attending school at Mount Vernon Boarding School. Later he graduated from Liberty Bible Institute, Liberty, and for sometime studied at Wake Forest College.

During his 63 years of service in the ministry, he pastored churches in Virginia and North Carolina. Reverend Soots helped organize Hickory Grove Baptist Church and also pastored Buelah, Bear Creek, Flat Springs, and Gum Springs. After retirement he continued in evangelistic and supply work until a few months before his death.

He was called to his reward on January 4, 1969. His wife was the late Lizzie Hilliard Soots. They had five children, four sons and one daughter, who are still living.

MEMORIAL REPORT

"The sun, closing his benediction, sinks, and the darkening air
Thrills with a sense of the triumphing night—
Night with her train of stars
And her great gift of sleep.

So be my passing! My task accomplished and the long day done,
My wages taken, and in my heart
Some late lark singing,
Let me be gathered to the quiet west,
The Sundown splendid and serene,
Death."

So writes the poet, William Ernest Henley, as he thinks about the end of his life and prepares himself for Death. Those of us here today understand something of his feeling, as we pause in memory, honoring our own beloved dead. But we can add a note to the poet's insight — for beyond the sunset, beautiful as it often is, there is the sunrise of Resurrection.—"I would not have you ignorant, brethren, concerning them which are asleep, that ye sorrow not, even as others which have no hope. For if we believe that Jesus died and rose again, even so them also which sleep in Jesus, will God bring with him." (I Thess. 4:13-14)

So, here and now, our hearts are blessed with memories of those who have gone on ahead during this year. The number is 82. Each of them made a contribution to God's work here on this earth, and we are grateful for their faithfulness, which continues to inspire us. We shall go on remembering them, and by the inspiration of their lives, we shall all gain strength and courage to do, while we still have some time left, what we can, also, to advance the Kingdom of our Lord and Saviour, Jesus Christ.

As Emily Dickinson so simply puts it:—

"If we can stop one heart from breaking,
We shall not live in vain.
If we can ease one life the aching, Or cool one pain,
Or help one fainting robin
Unto his nest again,
We shall not live in vain."

Silent prayer while Mrs. Max Reece played Rock of Ages.

37. Hymn led by Max Reece.

38. The moderator appointed the following Committee on Committees: Claude Johnson, Bennett, Chairman; Baxter Prevatte, Jr., Flat Springs; Raleigh Carroll, Pittsboro.

39. Business.

A. Vote and discussion of the Constitution. M. E. Cunnup presented the Revised Constitution which was adopted by the churches. Mrs. Fred Nooe amended Art. II membership Sect. 1 (3) to read as follows: add plus pastors of respective churches. The Amendment was adopted and the Constitution appears near the front of this annual in its amended form.

B. Garland Foushee expressed the appreciation of the association for the work C. R. Smith, Jr. and M. E. Cunnup had put into this revision.

C. 100 Years of Service of Jonesboro Heights is to be incorporated in the Annual under Reports.

D. Max Reece presented the following resolutions:

WHEREAS, the Jonesboro Heights Baptist Church, founded on Sept. 29, 1869, has made great progress both in spiritual and material realms and has become one of the leading churches in our association, and Whereas, they have been unselfish in sharing their pastor as our moderator these past two years.

BE IT THEREFORE RESOLVED, that we the messengers of the 211th Annual Session of the Sandy Creek Baptist Association commend them for their fine work and co-operation in the work of our association.

WHEREAS, Dr. Julian S. Hopkins has rendered magnificent service to our Baptist denomination in North Carolina during his ministry as Director of Evangelism,

THEREFORE BE IT RESOLVED that our association express to him our sincere love and appreciation for his challenge to our association as well as the entire state and that a copy of this resolution be sent to him and to our Biblical Recorder.

E. Garland Foushee asked that a message of good wishes be sent to George Graham, pastor of Bethany and Juniper Springs from the messengers.

F. Claude Simpson spoke concerning the work of Sunday Schools in our Association and the overall view of the seventies.

40. Guy S. Cain, representative from the Annuity Board, reported to the churches.

SANDY CREEK BAPTIST ASSOCIATION

1968-69

During the 1968-69 associational year, the Sunday School Department has worked to establish an organization at the associational level with a Director for each department. This effort is continuing into the 1969-70 associational year. It is the hope and prayer of the Sunday School Department that a complete organization will be available to assist the local churches by the end of this year.

In January of 1968, Mr. Burrell Lucas, Secretary of the State Sunday School Department. spoke to the Sandy Creek Pastors Conference concerning Sunday School work in this Association. A mass meeting was held July 27, at Sandy Branch Baptist Church, with twenty pastors, nineteen Sunday School Superintendents, and about sixty five Sunday School Teachers present. Total attendance was about two-hundred. Mr. Daryl Heath, of the Sunday School Board in Nashville, was the guest speaker.

Plans are underway for an Associational Sunday School Clinic to be held in the near future. A meeting has been scheduled for March 16 and 17, 1970, at East Sanford Baptist Church, to aquaint the Sunday School Superintendents, and teachers, with the new programs and materials being introduced in 1970. A mass meeting has been planned for June 28, 1970, with time and place to be announced later.

Respectfully submitted,
Sam S. Snyder, Superintendent

VACATION BIBLE SCHOOL REPORT — 1969

Unfortunately there was little progress in our associational V. B. S. during 1969.

The V. B. S. Superintendent left our association during the month of February and an acting superintendent was appointed. An effort was made to provide an associational clinic, however due to a lack of trained workers we were unable to do so.

There were eight churches of the thirty-seven in our association that reported a Vacation Bible School with no standard or mission schools reported.

It is hoped that the individual churches will work to make the coming year the greatest yet in V. B. S. work.

Respectfully submitted,
Mack Roberts

BROTHERHOOD REPORT

The Brotherhood Workshop, held at the Oakley Baptist Church on May 12 and 13, 1969, was undoubtedly the high-light of the Associational Brotherhood activities this year. Through this workshop, conducted by Mr. Edwin Bullock, State Brotherhood Secretary, and his associates, we were informed of the upgrading of the Brotherhood activities, and some very important plans for the future. This workshop was fairly well attended but not well enough for all our Brotherhood leaders to envision the wonderful opportunities that can be ours in the future. With this thought in mind we will schedule another workshop for November 17 and 18, 1969 at the Cool Springs Baptist Church of Sanford. This will be soon after the start of the new year and will give an opportunity for any new officers and other interested men to grasp the vision of an adventure ahead in Brotherhood work.

Training material has been ordered for the Brotherhood work in our association and will be available shortly after the start of the new year. Mr. Brickhouse, the associate director heading up the R. A. work, or myself, will be available for training programs in the individual churches.

Although our Laymen's Retreat was not held this year, plans are already in the making for an outstanding retreat this coming year.

We will appreciate all the support and help that the pastors and men of our association can give us in the coming year. and we will always be at your service if you need help.

Respectfully submitted,
George E. Marshall
Director

ANNUAL CHURCH TRAINING REPORT TO THE ASSOCIATION

These are exciting days for Church Training. Many new ideas, new materials, and a new seriousness to our need for Christian training are coming to us through the Church Training Ministry.

I am grateful for two new Training Unions in our Association. Several churches are starting New Member Training classes, although they do not have regular Unions. For this we are pleased.

We had several people attending our North Carolina Baptist Assembly at Southport this past summer for Training Union Week. We also had three groups attending Training Union Week at Ridgecrest, our Southwide Assembly.

May I urge each of you to study and keep up to date with current Training Union materials, especially THE TRAINING UNION MAGAZINE. This is essential in order to keep up with the larger ministry of Church Training.

Also, may I thank each of you for your prayers, assistance, and support in helping carry on the Church Training work. I urge you to give support to your new Director for a more effective Christian Witness through the local church.

Respectfully submitted.
Max G. Reece, Associational
Training Union Director

REPORT OF SHUBAL STEARNS MEMORIAL COMMITTEE

Rev. Shubal Stearns was a great man of talent and power. He had pledged his life to God and power was given to him to fit a time and condition of longing hearts seeking a saviour. The people were seeking freedoms of religion and freedom to build a good and better world. A time of darkness, bloodshed and sin, Shubal Stearns pledged and tied himself to the work of the Lord.

Every good tree bringeth forth good fruit. Today we have thousands of ministers and missionaries who have pledged their lives unreservedly to their Lord and Master Jesus Christ.

These faithful preachers and teachers are asking a sinful world to also pledge to God, not a dollar, not a day, a week, or a year, but their whole life, all of it as did the Rev. Shubal Stearns, else we fall back to a level of the sinful past.

BAPTIST HOSPITAL REPORT

Our Medical Center continues a high quality program of medical care, training of medical personnel, and research in the causes and treatment of the diseases which afflict us. In the face of serious financial problems, the hospital staff is working more diligently than ever to minister to our people in keeping with their needs and to the limit of the hospital's resources.

The hospital has instituted more efficient admission procedures regarding patients' financial resources and plans for payment of hospital bills. Trained counselors are interviewing patients and their families regarding advance payments which are now required and for getting more accurate information on those who will need help. In this way they are able better to discover those patients who may be eligible for medical care assistance through Social Services departments or other health agencies, and can start proceedings at once for getting these patients certified if this has not already been done. These agencies pay a major part of the cost for a patient they certify, but not the total cost, and the Mother's Day Fund must pay the balance. A member of the family must go to the agency and give the necessary information, and getting this done is often a real problem. Many of our pastors have helped in this connection and have rendered important service for the patients and the hospital.

If it were not for the help which comes from these health agencies, our Mother's Day Fund would not last for three months. After paying the difference between what the agencies pay and the total cost for these patients, the Mother's Day Offerings are used to help as many as possible of those who are not eligible for certification and who themselves cannot pay the total cost of their care. First preference must be given to those patients whose needs are greatest and most urgent. The free care the hospital gives must now be limited in keeping with the funds provided for this purpose, however, because the hospital cannot continue to go deeper in debt.

It is important that our people understand that all of the Mother's Day Offerings and designated gifts for this ministry are used for this purpose alone, and the hospital makes them go as far as it possibly can. The Trustees and Administration of the hospital are most grateful for the fine cooperation our pastors and our people are giving, and they earnestly solicit our understanding and generous support.

Claude Johnson

COOPERATIVE PROGRAM REPORT — 1969

WHEN THE WORD "STEWARDSHIP" is used, most of us begin to see dollar signs $ $! If we think of stewardship only in terms of money, we miss the mark in our concepts. Stewardship means RESPONSIBILITY — responsibility in all areas of life. We are stewards or trustees of our time, our talents and our abilities. The Christian attitude is that we are responsible beings and must one day give account to our Maker for all that God provides.

The worship of God with tithes and offerings through our churches provides a way for expressing our gratitude for His blessings.

Those of us who are privileged to leadership are dedicated to teaching and training in the Biblical doctrine of stewardship and try to give our very best to this ministry.

Materials for informing our people are produced and distributed by the Department of Stewardship Development. R. T. Greene is Secretary.

Teaching and training in the Forward Program, Growth in Christian Stewardship and Simple Plans for Stewardship Development is the responsibility of Harold White and his associate, Cleve Wilkie.

The distribution of films, filmstrips and other audio visual materials and a radio and television ministry is carried on by L. J. Morriss.

O. J. Hagler is Director of the Division and Mrs. Lacy Coates is secretary.

THE COOPERATIVE PROGRAM is the MAIN channel for supporting World Missions, Christian Education, Social Services and an ever expanding State Mission program. The goal for these causes this year is $6,750,000.

A special State Missions Offering goal of $250,000 is a challenge to all Baptist churches. Other approved special offerings—The Lottie Moon Christmas Offering, The Annie Armstrong Easter Offering, The Heck-Jones Memorial Offering, the Hospital Special on Mothers Day, the Thanksgiving Special for the Baptist Children's Homes, Christian Education on Fathers Day and the offering for the Homes for the Aging in February—all combine to an amount that will approach ten million dollars in 1969.

As dedicated Christian stewards, will you try to lead your church:

1. To use a stewardship program to help subscribe your own church budget.
2. To increase the percentage of the offering plate dollar given through the Cooperative Program.

On your invitation, we stand ready to assist in every way possible.

Respectfully submitted,
Paul West

WMU REPORT

The Woman's Missionary Union of the Sandy Creek Association has had a busy and profitable year. Our Associational Officers attended the State Leaders' Workshop at the Forest Hills Baptist Church in Raleigh for training. Following this training session, a Leaders' Training Conference was held at Sandy Branch Church to train the leaders in our local churches. In October, a Leadership Training Course was held at Oakley Baptist Church. This was led by Miss Katherine Bullard, our State WMS Director, and Miss Sara Ann Hobbs, our State Executive Secretary. One hundred and three women received leadership cards.

The WMU cooperated with our Associational Training Union Director, Rev. Max Reece, in promoting "M" Night. We cooperated with our churches in observing Weeks of Prayer for Foreign and Home Missions, and Season of Prayer for State Missions. We also supported these with our offerings, as well as the Cooperative Program. Our organizations have studied mission books to keep informed of the mission work carried on by our missionaries on our home, state and foreign mission fields.

Under the leadership of our YWA and GA Directors, these organizations held quarterly meetings. Several churches held coronation services.

Our Annual Session was held at Jonesboro Heights Baptist Church in April. Miss Katherine Bullard, our State WMS Director spoke to us during our afternoon session, and Rev. Neal Peyton, missionary to the deaf, spoke to us during our evening session. Inspiring messages were brought, as well as challenges.

We cooperated with the Brotherhood Director, Mr. George Marshall, in having a Laymen's Retreat at Siler City First Church in July.

Our Association was well represented at our North Carolina State Convention in March and at Ridgecrest in August.

We count it a privilege to be a part of the Sandy Creek Association and we pray for God's continued blessing as we labor and witness for Him.

Respectfully submitted,
Mrs. Clyde J. Smith
Associational WMU Director

BAPTIST CHILDREN'S HOME REPORT

The Baptist Children's Homes of North Carolina have had a good year and the work of the agency is looking up in every area. The Broyhill Home for Children near Waynesville is in the process of construction. Bids for the development of the main road and water supply line for the Broyhill home are scheduled to be opened early next month. The agency has purchased a house in Asheville and is making plans to use this space for the residence to house unwed mothers. The property was purchased recently and includes a 12 room residence and 3 acres of beautiful wooded land. This is a new ministry for North Carolina Baptist and it is one that will be of great service to those in need in our state. A recent report shows that $475,000 has been given or pledged for the Broyhill's home. Many residents and businesses of the Waynesville area have worked hard and diligently to make the Baptist Children's Home a reality in Western North Carolina.

During recent years, the ministry of our Baptist Children's Home has increased its reach and its work. An increase toward a family orientated ministry with the best interest of the child and the family in mind. An effort has been made to decentralize the agency. An effort is being made to take the services of our agency to the people rather than them coming to us. The average length of stay of a child in a home has been greatly decreased in recent years. This means that the Children's Home is able to help rehabilitate some of the families and get the child back to their natural family. The future plan for the Children's Home calls for a program to minister in a real way to children with extremely low I.Q.'s. An effort will be made to increase the program of family rehabilitation in several areas of need as well as expanding the work with minority groups. The Baptist Children's Home now works with some Indian children and, to a limited degree, with negro children.

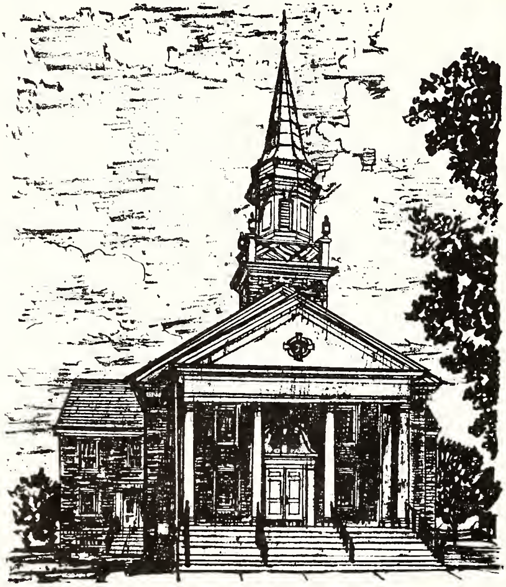
CHURCHES OF THE SANDY CREEK
BAPTIST ASSOCIATION

REPORT OF CENTENNIAL ANNIVERSARY AT JONESBORO HEIGHTS BAPTIST CHURCH 1869-1969



On September 29, 1869, under the direction of Rev. Orin Churchill and Rev. Stephen Gilmore, the Jonesboro Heights Baptist Church was organized with twenty charter members. After 100 years of service in the Jonesboro community the membership has increased to over 600.

During these 100 years there have been three different church buildings in which tre people have worshipped. After meeting under a brush arbor for some months, the first erected building was a frame one with no classrooms. The second building was erected in 1889. Some 61 years later, in 1950, under the direction of Rev. Robert Gardner, the third and present building was erected. In 1968 a modern educational building was erected.

Perhaps the one thing the Jonesboro people are most proud of as they look back over their history is the organizing of the Tramway Baptist Church at a cost of some $45,000. to the Jonesboro church. This was accomplished during the pastorate of Rev. John Smith.

The observance of this anniversary began Sunday morning, September 28 with Dr. Norman Wiggins, President of Campbell College, bringing the anniversary message. That evening Mrs. Florence Robinson, who had prepared the history of the church, presented the history with the use of 160 slides showing all areas of church life from the first pastor and building until the present.

The celebration continued Sunday, October 5 as we met for the observance of the Lord's Supper and to read in unison the first covenant adopted 100 years ago. That evening the Tramway Church joined us with their pastor, Rev. Bill Haskins. bringing the message.

This coming Sunday will be homecoming with dinner on the grounds. Two of the three former living pastors, Rev. J. B. Willis and Rev. Robert Gardner, will bring greetings.

The Jonesboro Heights Baptist Church is a miracle for the Master. We feel now that after 100 years of service we are ready for Him to — "Lead on O King Eternal".

Respectfully,
Gilbert W. McDowell

CHRISTIAN LITERATURE REPORT

The year 1969 has been one of the most significant in the 136-year history of the BIBLICAL RECORDER. True, we cannot point to any spectacular gains in circulation, but each week the RECORDER is read by almost 300,000 North Carolina Baptists in some 90,000 homes. For almost a century and a half the RECORDER has played a vital role in the life of our convention and state, and it will continue to do so.

Our pages this year have carried a variety of reports of the activities of Baptists all across the state. Early this spring membership in our 3,454 churches passed the one million mark—an historic milestone. We also carried numerous stories and reports of the progress of the Crusade of the Americas.

The first half of this year, of course, saw much of the news interest focused on the General Assembly. Possibly more than any other assembly to date, this year's session was of vital importance to Baptists and other Christians across our state. Because of this importance, the RECORDER gave special emphasis to reporting moral and social issues being considered by the legislature. Our readers responded in marvelous fashion, making the impact of the church felt throughout the state.

Whenever something significant was happening among North Carolina Baptists, our readers were aware of it. We hope to offer expanded coverage in the future and will always strive to improve our effort. We want to be good stewards of the trust North Carolina Baptists have placed in us.

Naturally, we hope that this stewardship will be rewarded with more participation in readership in our churches. The RECORDER should be in every Baptist home.

We will continue to speak the truth in love.

Respectfully submitted,
Claude E. Jones, Chairman

EVANGELISM REPORT TO THE SANDY CREEK ASSOCIATION

The simultaneous revival meetings held last spring as a part of the Crusade of the Americas bore evidence, in some places across the state, of being genuine spiritual revivals. Where God's people sowed bountifully, they reaped gloriously.

All the churches in our association that held revivals reported that they were blessed with a fine spirit and profited by a revival within the membership. The number of decisions by profession of faith and letter were fewer than expected over our association as a whole. Two of our churches reported an unusual large number of decisions. During the Revival Crusade, Jonesboro Heights Church had 28 professions of faith and 7 by letter. East Sanford Church had 34 professions of faith and 4 transfer of membership.

For this year all our churches have reported 263 baptisms. We could double this number next year, let's strive to do so.

As we face the future in evangelism we should take note of what happened this year where outstanding revivals were experienced. This will give some guidelines for future plans in evangelism. As observed across the state some of the characteristics were:

1. In every church where an unusual revival was reported there had been an unusual prayer concern and prayer participation across several months on the part of some church people—usually the leaders. This definitely says something to us for the future.

2. Some of the most powerful revivals in our state started among the young people of our churches. Young people are prominent in many places today (mostly in worldly places), and it is encouraging to know that when they offer themselves to God to be used in His purpose, as many are doing, that revivals break forth in the churches. This has taken place in several churches in North Carolina this year. It ought to be happening everywhere.

In the light of what we have seen this year, here are some "MUSTS" for the future.

1. To seek earnestly to be completely assured in our hearts and minds that the only hope for us and all our people is Christ—Christ as He and His gospel are revealed by the Holy Spirit through the Bible, the inspired and inerrant Word of God.
2. To purpose to engage daily in searching the Scriptures and in praying for spiritual revival in the churches. Some have made a beginning in this vital matter and all other Christians should join them and continue Steadfastly therein.
3. To proclaim faithfully "publicly and from house to house" (Acts 20:20) the glorious gospel of Christ, and to make this purpose central in all church plans, programs and activities.
4. To offer classes of personal soul-winning to those who will commit themselves to regular visitation and witness.
5. To encourage a group of our laymen to attend the State-wide Conference in Evangelism in Greensboro, February 2-4.

Respectfully submitted,

Garland L. Foushee

Chairman of Evangelism

RESOLUTION — October 15, 1970

The Sandy Creek Baptist Association in its 212th Annual Meeting at the East Sanford Church, expresses its sincere appreciation to Dr. George M. Graham, who has just recently retired from the pastorate, for his faithful and devoted service to our association during the past twenty-eight years.

Dr. Graham came to the Sandy Creek as pastor of four churches: Bethany, Juniper Springs, Goldston, and Sandy Branch. He also served as interim pastor for Bear Creek Church He came well prepared for the work he was called to do, having a degree, for the Univ. of N. C., having taught for 10 years, having a law degree and having gone to Southwestern Theological Seminary after answering God's call to preach.

In acknowledging our appreciation to Dr. Graham, we must also acknowledge our indebtedness to his wife, formerly Virginia Cameron of Olivia, N. C. She, too, has served our association in many capacities during these years.

Dr. Graham has served as moderator for two years and has served many years on various committees, often as chairman. MEMORIAL REPORT

As we now pause in memory of our 87 beloved dead who have gone on before us during this year, we are grateful for each of their lives and their dedicated work toward promoting God's kingdom on earth. May the inspiration of their lives give us, the living, added strength to face the trails and tribulations of our chaotic times.

Let us think of our deceased brethren as children falling asleep in Jesus. When a little child has played all day long and becomes tired out, it often seeks its mother's arms and nestles close to her soft and gentle caress. Sleep soon comes to the weary child as it finds peace and contentment. So those as Christians fall asleep in Jesus. Our brothers in Christ have played long enough at the games of life and have felt the approach of death. They tired out and have laid their heads back on the bosom of Christ and quietly fallen asleep.

As Norman MacLeod so truthfully said,

> "Let us not picture death as coming to destroy; let us rather picture Christ as coming to save. Do not think of death as sending; rather think of life as beginning, and that more abundantly. Instead of thinking of losing: let us think of gaining. Instead of parting; let us think of meeting. When we think of going away, let us think of arriving. As the voice of death whispers, 'You must go from earth,' let us hear the voice of Christ saying, 'You are but coming to me'."

As Christ triumphed over death in that He arose from the dead, so shall we as Christians be raised from death to life everlasting.

"For since by man came death, by man came also the resurrection of the dead. For as in Adam all die, even so in Christ shall all be made alive." I Corinthians 15:21 - 22

followed by a moment of silent prayer.

38. Hymn led by Gerald Bridges.

39. The moderator appointed the following Committee on Committees: Paul West, Bobby Bunce, Graham Johnson.

40. Business

A. Mrs. Bobby Bunce called attention of the Baptist Young Women's meeting to be held on Oct. 22nd at Oakley Baptist Church at 6:00 P.M. This will be a covered dish supper.

B. New Youth Director, James Williams, announced a youth rally for Jan. 28th, 7:30 P.M., in the form of a Folk Musical by Jonesboro Heights Youth Choir.

41. Christian Literature Report was adopted as written in the Book of Reports and may be found in Report section of this book. Speaking to the report was Mrs. Marse Grant, wife of the "Biblical Recorder" editor.
42. Evangelism Report was adopted as written in the Book of Reports and may be found in Report section of the annual. Claude Simpson, Director of Evangelism, spoke to this report.
43. Max Reece introduces the inspirational speaker, Robert M. Tenery, pastor at Pleasant Hill Baptist Church, Elkin, N. C.
44. The pastors' quartet again favored the body with special music.
45. Robert M. Tenery brought an inspirational message on the Doctrine of New Birth. He listed the following resources that are ours because of the new birth: freedom in Christ, certain mystery, satisfying of human needs, power and reality of Holy Spirit, and comfort.
46. Officers and denominational representatives for the coming year were installed at this time.
47. Benediction and prayer of Thanksgiving was lead by W. W. Hutchins, Sanford First Church.

Sunday School Report

SANDY CREEK BAPTIST ASSOCIATION

This has been a busy and challenging year for the Sunday School in our Association. At times we have been frustrated and confused due to the many changes in organization and curriculm materials.

Several State work shops have been attended by our Association leadership to prepare them to be able to give help to the local churches in the transitions that took place the first of October.

There seems to be a concensus among leaders of our Association that the new materials are for the better. The changes are in organization and methods and not in theology. Our literature remains Biblically sound. We believe that the results of all these efforts will be more effective learning. This, of course, will depend on what each individual church does with it.

All of us are deeply concerned with decline in Sunday School enrollment. For example, the Pre-school Division has declined in enrollment 24,000 within the last few years. All other departments have declined steadily through the decade. The biggest reason is that we have slackened our efforts in out-reach at the very time when people are drawn to more and more interest outside the church.

There are evidences that some of our out-of-date organizations and methods have caused a loss of interest in Bible study. Our prayer is that the recent changes will improve this but there also must be the highest quality of dedication on the part of teachers and leaders. There is abundant evidence that the quality of teaching has caused a great exodus from our Sunday School.

Let us take advantage of many fine resources our Sunday School Board provides for us and dedicate ourselves to prepare, intellectually and spiritually for the best job that is possible in the greatest work on earth — that of reaching people for Christ and instructing them in all the things our Lord has taught us to do.

Respectfully submitted,
Garland Foushee

VACATION BIBLE SCHOOL REPORT — 1970

It is encouraging to be able to report that 1970 has been a good year for Vacation Bible School in the Sandy Creek Association. This has been due to innovations in our VBS materials and also to the great interest expressed by the individaul churches and workers in the association.

On January 5 - 7, the State Vacation Bible School Clinic was held at Wingate College and the Sandy Creek Association was represented in each conference with the intention of gaining vital information which could be shared with the churches in the local clinic. A pre-clinic was conducted at the Goldston Baptist Church on Monday, February 16, with a good representation from the churches. The purpose of this meeting was to acquaint pastors, principals, and Sunday School Superintendents with the new VBS materials and also encourage election of workers and purchasing of important materials prior to the associational clinic. Sandy Branch was the host Church for the local VBS clinic which was held March 9, with 26 churches represented and a registration of 176 workers.

There were only twelve churches which sent in a report to the Associational VBS superintendent. Out of the twelve there were two which reported "Distinguished Achievement" and five reported "Merit Achievement".

It is hoped that each church will place Vacation Bible School among her top priorities for 1971.

Respectfully submitted,
Mack Roberts

ANNUAL CHURCH TRAINING REPORT

Church Training in the 70's will be flexible and varied in order to meet needs of individuals and groups. While all church members are recognized as the primary constitiency of the training program, distinctive needs of new church members and church leaders will be met through approaches and materials designed for them. In addition, the training program will provide for Pre-schoolers and Children (ages birth through eleven) foundational learning experiences. The tasks of the church training program of the 70's are:

Orient new members; train church members to perform the functions of the church; train church leader; teach Christian theology, Christian ethics; Christian History; Church policy and organization; provide and interpret information regarding the work of the church and Denomination.

Your Associational Church Training Director attended the "Shaping the 70's" Conference in the First Baptist Church in Greensboro, January 20 - 21 and the Regional Convention in Raleigh, January 30, 1970. An Associational Conference on "Shaping the 70's" was conducted at East Sanford Baptist Church, March 16,1970.

We are happy to announce that Rev. Worth Grant, former pastor in North Carolina and Missionary to Japan for twenty years, will be our "M" night speaker on November 2, 1970 at the Pittsboro Baptist Church; also that Dr. Carl Bates, Pastor, First Baptist Church, Charlotte, and President, Southern Baptist Convention, will be our "M" night speaker in 1971.

May the Lord richly bless you in your Church Training Program. TRAIN ------it's the Christlike thing to do.

HISTORICAL REPORT

History of East Sanford Baptist Church

The East Sanford Baptist Church, Sanford, N. C., was the out-growth of a union Sunday School organized in 1913 and meeting in a dwelling house. After six years, on September 9, 1919, a church was organized and given the name of The East Sanford Baptist Church. There were six charter members: J. L. McDonald, Misses Mattie and Maggie McDonald, T. V. Haithcox, and Rev. and Mrs. L. C. Lee.

The present church building was constructed in 1922 with the Lord's Supper being observed in the new building on February 18, 1923. By July 29, 1923 the membership had grown to 133. In March, 1969, ground was broken for an educational building which was completed for occupancy on November 9th of that year. The modern structure is fully equipped with air-coditioning and a sound system.

The minutes of the Sandy Creek Asociation show that 1920 was the year we were included in the Association, showing 23 members on roll at that time. The 1970 minutes will show a membership of 648. Stewardship has progressed accordingly.

Over a period of 50 years, this church has had 8 pastors; the present pastor, Garland Foushee, now serving as moderator for the Sandy Creek Association. Last year the church celebrated its half a cenury activity. The first minister sent from this church was William A. Wallace, pastor of Woodlawn Baptist Church, Charlotte, at this writing.

History of Emmaus Baptist Church

Emmaus Baptist Church is located in Chatham County, seven miles west of Pittsboro. Elder William Merritt was mainly instrumental in organizing this church. His labors were blessed with a revival in 1832 which resulted in the constitution of the church by Elder W. H. Merritt. William Hooper, and Thomas Weaver in July 1883 with thirty charter members.

A new church building was erected, with the first service being held in May, 1949. This building was dedicated in May, 1951. A pastorium was built in 1958. Sunday School rooms were added in 1960 - 61.

REPORT OF SHUBAL STEARNS MEMORIAL COMMITTEE

First church by Rev. Shubal Stearns. his wife and those who came with him, seven families, sixteen souls in all at Sandy Creek in 1755 where they built their first meeting house and administered the Lord's Supper.

It is a mother church, nay a grandmother church and a great grandmother. All the seperate Baptist sprang hence. Not only eastward. toward the sea, but westward toward the great river Mississippi. But northward to Virginia and southward to South Carolina and Georgia. And the word went forth from this sign. And great was the company of them who published it. In so much that her converts were as drops of morning dew.

(Morgan Edwards in 1775)

From sixteen souls, we follow the Bible belt across the nation to thirty or more million seperate Baptist around the world. A grain of mustard seed grew from the church at Sandy Creek. How great and wonderful the works of God. Jesus said,"Ye are the salt of the earth." (Matthew 5:13.)

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

God has blessed our Homes for the aging through all of our nineteen years, and during the past year in a very special way. We acknowledge His goodness and thank Him for every manifestation of His love. We also want to express sincere gratitude to our Baptist people for their increased love and concern for the 195 dear elderly people to whom we are ministering in our five Baptist Homes — Resthaven, the Hayes Home, and Nursing Care Unit in Winston-Salem; the Albemarle Home, in Albemarle; the Hamilton Home, in Hamilton; and the Yanceyville Home in Yanceyville.

An urgent appeal was made to our Baptist people before our offering in February to help us reduce the alarming deficit in the operation of the Homes. This plea was heard and the offering, of $168,349.34, from July 1, 1969 through June 30, 1970 from our Baptist Churches, has exceeded all other offerings inprevious years. How grateful we are for this increase. We want to urge our people, however, to continue giving liberally to our Homes and to remember that we are still confronted with the staggering cost of living and the great need to strengthen the total economy of the Homes as we try to move forward in developing and expanding this vital ministry to the aging. For example, even though our offering reflects an increase over the previous year, this increase will only take care of approximately half of the additional amount necesseary in operating the Homes for the coming year, due to inflationary pressures.

Of great interest in our Development Program is a proposed new addition to our present Nursing Care Unit. Judge and Mrs. William M. York, of Greensboro, North Carolina, have offered a gift of $80,000.00 to the homes for the purpose, contingent upon the Homes raising an additional $80,000.00 by September 1, 1970. If this proposal is fulfilled, 10 to12 additional rooms would be made available, with accomodations for 20 to 24 people, bringing our total nursing care capacity to 80 beds. We appeal to the Baptist people to pray for the success of this very special project in the care of our elderly sick.

There is no greater security for an older person than that of the Christian nuture and love offered in our Baptist Homes, and we thank the Lord, and our Baptist people, for this ministry. We shall continue to look to Him, and to our people, for this ministry on behalf of these to whom Christian love means so much, in the faith that our needs will be supplied.

Respectfully submitted,
R. C. Dorsett

BAPTIST HOSPITAL REPORT

Our Baptist Hospital continues to grow in spite of its serious problems. Physical growth is the result of the long-range development program which has already seen the completion of the new power plant, the School of Nursing and Allied Health Building, and the addition to the Medical School. Construction of the new patient tower is progressing, after some delays, and is expected to be completed by mid-1972.

There is continued growth in the quality of patient care provided. There is improved equipment in the heart diagnostic center in the fight against heart disease; the department of nuclear medicine continue to make progress in the diagnosis and treatment of some of our most dreaded diseases; the stroke center renders valuable service in the study and treatment of stroke and brain tumors. New equipment for the Intensive Care Unit includes an instrument which is attached to the patient and measures his heart action and blood pressure; if either varies from safe range the machine signals the attendant immediately.

Changes in admission procedures have been made necessary by the financial crisis the hospital faces.When a doctor reserves a bed for a patient the admissions office contacts the patient to obtain the needed information, including the type and amount of his hospital insurance coverage. After estimating the hospital bill and determining the amount the insurance covers, the patient is notified of the difference which he is expected to bring when he enters the hospital. An effort is made to counsel with all patients who need financial aid and ansist them in getting help.

With all the growth, one thing remains unchanged: the desire and determination to care for the needy sick. This has been at the heart of the hospital's ministry since it opened in 1923. Last year it ministered to 5,225 Service patients for 47,499 days of hospital care, in addition to the large number served in the Outpatient Clinics. The free care amounted to more than a million dollars beyond what these patients, their insurance, and all sponsoring agencies paid. North Carolina Baptist provided $328,000 through the Mother's Day Offering, $237,000 through the Co-operative Program, a total of $565,000 of this amount. To date this year thirty churches in our association contributed $4,775.31 of the Mother's Day Fund, thus helping the hospital keep faith with its purpose.

Though our Mother's Day Offerings have grown they have not kept pace with the rising costs and our hospital is running a heavy deficit. If full use is to be made of the new medical procedures and facilities in fulfilling our mission, we are going to have to give our Baptist Hospital additional support.

Respectfully submitted,

Claude Johnson.
Hospital Representative

COOPERATIVE PROGRAM REPORT — 1970

Hundreds of churches, including every size church, increased Cooperative Program giving last year. One thousand and seventy-three churches increased Cooperative Program giving by ten per cent or more over the previous year. This increased sharing will enable all to have a greater part in the healing of the sick, feeding the hungry, clothing the naked, visiting the imprisoned and preaching the gospel to the poor. Congratulations are in order to every individual and church making this ministry possible.

Helping churches advance in stewardship and missions is one of the basic aims of your Stewardship-Cooperative Program, General Board member, Superintendent of Missions, Moderator, and the Division of Stewardship Promotion of the Baptist State Convention. Do you need help with Annuity and Insurance for your pastor and/or other staff personnel, Week End Stewardship Revivals, Growth in Christian Stewardship Program, The Forward Program, Study and Preaching Program, Tithers Enrollment Week, Planning A Budget, Youth Stewardship Program, Family Stewardship Program, Visiual Aids, Communications, Developing a Special

Stewardship Program, Principles of Family or Church Budgeting, Setting up Better Financial Record Keeping for your church or leaflets and other information on the Cooperative Program, State Missions, and Family or Church Finance?

The Cooperative Program is the main channel of supporting World Missions, Christian Education, Social Services, and ever increasing State Missions program. The goal for these causes this year is $7,000,000.

As dedicated Christian stewards will you try to lead your Church:

1. To use a stewardship program to help subcribe your own church budget?
2. To increase the percentage of the offering plate dollar given through the Cooperative Program?

Your associational officers and your Division of Stewardship Promotion personnel are delighted to offer friendly service to aid your stewardship program, Cooperative Program sharing, visual aids or annuity requests. On your invitation, we stand ready to assist in every possible way.

Respectfully submitted,

Paul West

WMU REPORT

The Women Missionary Union of the Sandy Creek Association has had a busy and changing year. It has been a very profitable year. Our Associational officers attended the State Leaders Workshop at the First Baptist Church in Hickory for training. Following this training session, a Leader's Training Conference was held at Goldston Church to train the Leaders in local churches. One hundred and twenty-five attended. All these were officers and leaders. The North Carolina State Baptist Convention offered training in "Shaping the 70's Conference" in Greensboro and the Associational W.M.U. Director was one of the nine chosen to take this training. In March at the East Sanford Church this same training was offered to the local Directors and Leaders in our Association. TheAssociational W.M.U. Director led the conference. It was well attended by local Directors and Leaders. The W.M.U. cooperated with Associational Training Union Director, Gerald Bridges, in promoting "M" night. We observed the weeks of prayer for Foreign, Home and State Mission. We supported these with our offering as well as the cooperative program. Our organizations have studied mission books to keep informed of the mission work our missionarys are doing on the home, state and foreign mission field. Our W.M.U. is cooperating in the Heck Jones offering to pay off Camp Mundo Vista.

Two ladies from our W.M.U. organization was chosen for special training in prison rehibilitation and litercy work.

The Y.W.A. and G.A. Directors held quarterly associational meetings for the young people. They are pleased with the fine work our young girls are doing.

Our annual W.M.U. Session was held at Mt. Olive Baptist Church in April. Miss Linda Warren, our state Y.W.A. Director, spoke to us on "Shaping the 70's." Mr. and Mrs. W. A. Mitchner showed film they had taken of mission work in many countries of the world. It was very inspiring and affective.

Our association was present at the W.M.U. State Convention in Greensboro. We are very proud our Association will be a distinguished Woman Missionary Union this year.

We are happy to be a part of the Sandy Creek Association and pray God will bless all the work in our great association.

Respectfully submitted,
Mrs. Paul Cromer

BAPTIST CHILDREN'S HOME REPORT

Under the impact of the life, ministry and teachings of Christ and under the leadership of the Holy Spirit, North Carolina Baptist, 85 years ago launched a Christian ministry of child care. This has grown considerably and is widely recognized for its qualities of service and pioneering spirit. Sons and daughters of the Children's Home are scattered throughout the world. They are actively engaged in all walks of life and are making a significant contribution to the uplift of mankind as a result of their early Christian training made possible by North Carolina Baptists and other friends.

The Children's Homes, through a variety of quality services, is recognized as a family service agency. This is made possible by well trained and professional staff who provide leadership for group care programs, foster home care, family services, consultation with churches in preschool programs and planning for higher education of children who have been in care. This program unfolds on seven campuses and through the work of regional casework centers throughout the state.

Broyhill Home at Waynesville and the Maternity Home at Asheville are scheduled to open within the next few months extending our ministry into Western North Carolina. In the East, Odum Home at Pembroke continues its vital ministry and Kennedy Home at Kinston is entering its intensive development program. Our ministry in Piedmont North Carolina focuses in Mills Home at Thomasville, Greer Home at Chapel Hill, and Wall Home at Wallburg.

We want you to become thoroughly acquainted with the Baptist Children's Homes of North Carolina. The more you know about the agency, the more you will appreciate its daily work and ministry. You would be thrilled to see the progress our boys and girls make as they emerge out of difficult and unfortunate circumstances over which they have no control. Through this ministry you can find personal joy and excitement in helping people.

The contribution of Baptist people through the Co-operative Program, the Thanksgiving Offering and special gifts are essential to our continued operation and are received with deep appreciation. An increasing number of friends are finding a rewarding stewardship opportunity through the establishment of trusts for the Homes and by means of wills and estate planning for the needs of dependent children. Members of the staff are available for consultation in estate planning and the preparation of wills.

Members of the Board of Trustees and members of the staff of the Homes are dedicated to a program of child care that will merit the undivided loyalty and support of our people and that will be worthy the blessings of our Lord. We convenant with you to face the future as we have the past; to offer Christian nuture to children in distress in the name of Christ our Savior and Lord.

Respectfully submitted,

C. R. Smith, Representative
Baptist Children's Home

CHURCHES OF THE SANDY CREEK BAPTIST ASSOCIATION

Clyde Dorsett was appointed Representative for the Homes for Aging from our association

APRIL 6th:

"Outlook for '70's" Conference at East Sanford was well attended by members from 34 of our 37 churches.

Worth Grant, Missionary to Japan, will be "M" Night speaker on Nov. 2nd at Pittsboro Baptist Church.

Vacation Bible School Clinic well attended according to Mack Roberts, Director.

JULY 6th:

Layman's Retreat was canceled as the association has no Brotherhood Director.

Associational Council will meet August 3, 10:00 A.M., East Sanford.

The Nominating Committee reported that it had not been able to complete a slate of officers for the coming year, but still working on it.

West Sanford Church has filed a request for admittance into the Sandy Creek Association which will be voted on at the Annual Meeting.

There was discussion about the clerk's getting out a quarterly bulletin. This will probably be a business item during the Annual Meeting.

Manuel Cunnup, Garland Foushee, and Raleigh Carroll were appointed as a special committee to study advisability of the association's having a missionary for 1971-72.

Respectfully submitted,
Garland Foushee, President
Jane Nooe, Secretary

HOSPITALITY REPORT

On behalf of the Sandy Creek Association, we wish to express our appreciation to the pastor and members of the Emmaus Baptist Church for the invitation to meet with them. We wish to thank them for the warm welcome, for the beautiful flowers and music and for the delicious meal that you prepared for us.

We are grateful to the program committee and speakers for an inspirational and challenging program.

For everything that has been done for our comfort and convenience, and to anyone who had a part in the planning and preparation of this Associational Meeting, we say, "Thank you."

Respectfully submitted,
Mrs. Alex Dunn, Chairman
Mrs. N. E. Brooks
Mrs. Claude Jones

CHRISTIAN LITERATURE REPORT

More than ever before, North Carolina Baptists need a dependable source of information. It is difficult these days to get an honest and accurate report on important issues.

In some cases, half truths and rumors are circulated, some of them designed to embarrass and ridicule Baptists. Since it takes so long for truth to catch up with error, some of these impressions in people's minds are never corrected. This makes progress and unity more difficult.

For 137 years, North Carolina Baptists have had the Biblical Recorder as a source of dependable information. Week by week it goes into the homes of nearly 90,000 families, striving to speak the truth in love.

In the past year, the Recorder was pleased to have had a part in the election of Dr. Carl Bates of Charlotte as president of the Southern Baptist Convention. A recorder editorial endorsing him was considered a factor in his election on the first ballot at Denver. It is an honor to have the convention president from our state. This is just one example of the influence the Recorder has had in the past year.

Looking to the future, the Recorder promises to continue its fight against liquor by the drink, even in the face of strong opposition from those who are pushing for greater flow of liquor in our state. If your church is not sending the Recorder to every home, try doing this for the coming year so your members can receive the full story on the 1971 General Assembly.

Your church would not think of trying to carry out its mission without literature devoted to the Sunday School, Church Training, WMU, Brotherhood and all other church organizations. The Recorder is just as important and should be in the budget just as this literature is. The cost is only 4c a week, a penny less than a post card. Your church is the loser by not taking this step. Won't you do it this coming year?

It was reported in 1969 that 20 churches out of 37 in the Sandy Creek Association included the Biblical Recorder in their budget.

Respectfully submitted,
Claude E. Jones, Chairman

EVANGELISM REPORT

In associational evangelism clinics a strong emphasis was placed upon: Shaping the 70's through Evangelism, Strength for Living Revivals, and Youth Evangelism. Some churches across the state experienced outstanding revivals as a result of dependance upon the Holy Spirit, genuine prayer, careful planning, and involvement of adults and youth in witnessing.

All Christians need to accept the challenge of Acts 2:32 — "This Jesus hath God raised up, whereof we are all witnesses." In his book, "Exploring Evangelism", Mendell Taylor reminds us of this tremendous truth: "When Christians fail to evangelize, the very existence of the church is threatened. Evangelism is indispensable in the life of the church." All Christians can reveal to the world a greater concern for evanglism and total Christianity.

New materials on lay witnessing written by Dr. Kenneth L. Chafin and other SBC leaders will be available by January 1, 1971 in the Baptist Book Stores. Training clinics on the use of these materials for pastors and laymen will be held in all associations during 1971.

The 25th Statewide Evangelism Conference will be held at War Memorial Auditorium and Greensboro Coliseum on February 1-2, 1971. The closing session will be a Youth Evangelism Night in Greensboro Coliseum which seats 16,000 with Dr. Leighton Ford of the Billy Graham Association as the featured speaker. Pray for this special session that many youth will make a genuine decisions for Christ.

An Associational Evangelism Rally was held at the Pittsboro Baptist Church in June with the Rev. Bill Lamb, North Carolina Baptist Evangelism Director, as guest speaker. Music was provided by the East Sanford and Tramway Baptist Church Youth Choirs.

An Associational Rally is planned for the spring of 1971 with Dr. Jack Stanton, Associate Director of Evangelism, Home Mission Board, as guest for the evening. Please pray and plan for this emphasis on Evangelism in our Association.

Claude Simpson
Director of Evangelism

New Sanctuary of Fall Creek Baptist Church

On Sunday, September 20, 1970, Fall Creek Baptist Church held its second service in the new sanctuary, with a dedication service and open-house with pastor Rev. Amos Garner in charge.

The beginning of Fall Creek Baptist Church was in 1799 in a log building, which was replaced with a new building in 1859. In 1917 a larger building was built, which has stood for 53 years with many memories. This was torn down in February, 1970, to make room for a new sanctuary.

The new sanctuary, estimated to cost nearly $100,000.00 is of modified Colonial-type architecture and is constructed on top of a hill overlooking highway 42 below.

The last service in the old building was held on the last Sunday in January, 1970.

Many sad faces watched the old building go in February, but the groundbreaking service in March, 1970 brought a new vision for the future.

Fall Creek is the "mother church" of four Baptist Churches — Tyson's Creek organized in 1881 — Beulah Baptist organized in 1902 — Riverside Baptist organized in 1910 and Bennett Baptist organized in 1911.
We are thankful for God's Blessings in our building program.
